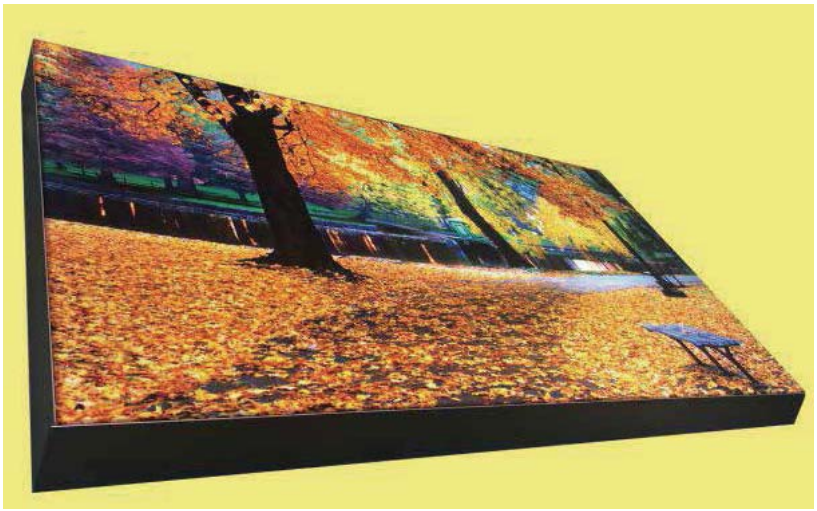
Fabric Light Boxes

FLB-01



Smooth Frame-less Appearance

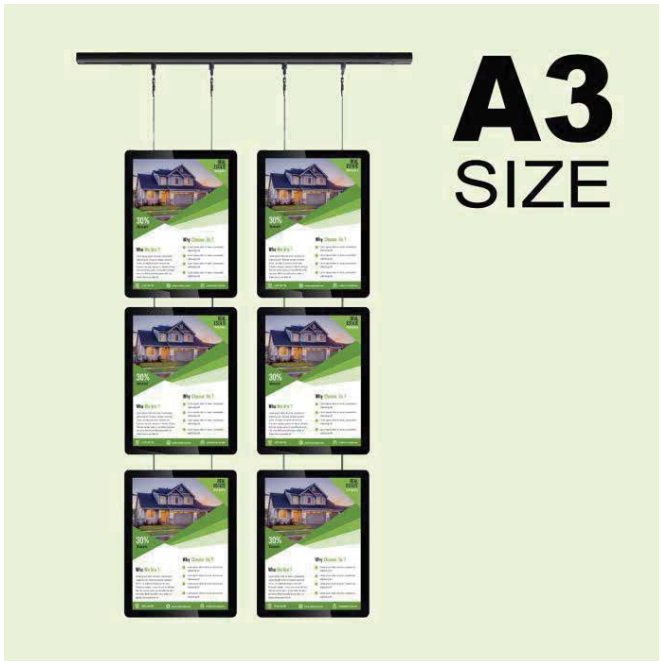
The edgeless (frameless) look is achieved by using fabric which is sewn along the edges with a silicone beading. The graphic is stretched slightly over the extrusion where the silicon beading fits into a channel grove along the outer edge of the display.

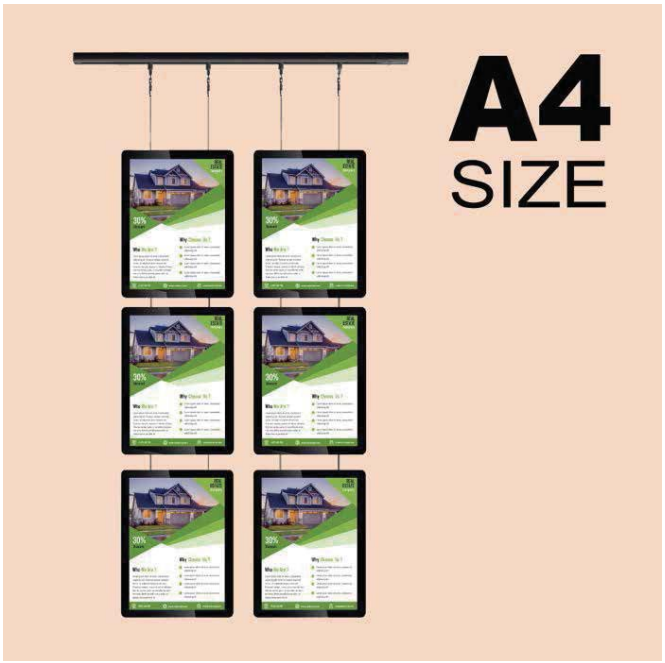
Portable

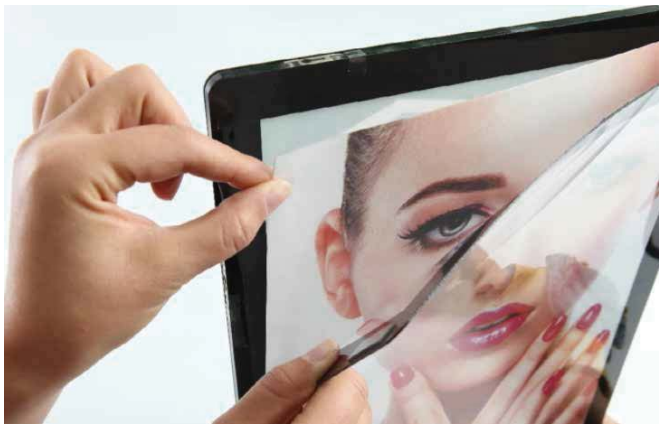
Frameless light box are made from lightweight recycled aluminum. It is very easy to dismantle and can be done in just a few minutes, which makes it great for trade shows, events or relocating. Despite their large display size, they can be stored in very small spaces.

Real Estate LED Light Box A3/A4

FLB01 LB-RE-A4 / LB-RE-A4







Real Estate Window Display LED Lightbox A4 size | LED Window Signs Clear acrylic light box with LED built in.
Easy set up using aluminium bar + hanging cable system
